---

## EXPERIENCE

**Dell Technologies** – *Software Engineer Intern*; Round Rock, Texas May 2023 – August 2023

- Worked on the Performance Engineering team aiding in the increase in efficiency in everyday work
- Collaborated in the automation of tasks in the server decommissioning process
- Created a framework in order to follow software projects in a more effective manner that involved the performance engineering and decommissioning teams.

**Dell Technologies** – *Software Engineer Intern*; Round Rock, Texas June 2022 – August 2022

- Worked on GeX Landing Pages team by helping improve code quality and update testing pipelines
- Corrected various code smells giving the opportunity to work on live code
- Coordinated with multiple teammates across different teams in order to fulfill sprint objectives

**Spatial Visualization** – *Teaching Assistant*; Austin, Texas October 2021 – December 2021

- Monitored the progress of 35 students to ensure their progress in the course while maintaining a strong pace
- Assisted in guiding and teaching the students in the class to help them understand fundamental concepts of modeling

**Walmart** – *Self-Checkout Host*; Wharton, Texas June 2020 – January 2022

- Supervised six self-checkout machines simultaneously to develop strong managerial skills with increased levels of communication
- Accounted over \$2k in sales to document the accuracy of all purchases in a fast-paced environment while working with customers
- Exceeded listed responsibilities by auditing \$20k in-store sales to reduce closing time by allowing others to complete other tasks

**Whataburger** – *Team Member*; Wharton, Texas May 2018 - June 2020

- Executed different positions handling over \$2k at the register and cooking responsibilities to optimize the store's operations
- Demonstrated strong leadership by understanding time-sensitive matters and delegating tasks to other team members
- Trained five new employees on their day-to-day responsibilities to increase overall long-term productivity and employee morale

---

**SHPE National Convention Committee** – *Committee Member* October 2021-December 2021

- Designed and facilitated the distribution of business cards for each member
- Contributed to the planning and outlook on the trip to the national convention for 50 students

**Club Soccer** – *Captain and Mentor* Fall 2017 - Summer 2021

- Trained 25 players across different skill levels to build team chemistry and develop soccer techniques for upcoming soccer games
- Advocated for players' success both on and off the field by providing advice on pressing issues and questions
- Helped retain the majority of the players for the upcoming year while also bringing in new ones.
